- District 33 has reached the maximum number of email addresses through the current host (Google Suites or G Suite). BlueHost is the new hosting company for the website which offers unlimited emails. If you're a coordinator, log into your current Google Suites account this week to check for any new, unread emails and please download any emails you want to keep, since all old emails (received up until now) will be lost after the switch. As soon as the transfer from G-Suite to Bluehost is completed, Carol will email a temporary password to your new account to all coordinators. Your email address itself will not change, just the back-end website hosting service and the password.
- 2 open service positions: Jess S. had to step down as the Treatment Facility coordinator. Barbara B. had to step down as Corrections coordinator. Barbara is willing to switch to the Treatment Facility coordinator. Jeremy W. is considering stepping into the Corrections role.
